## REFLECTIONS FROM THE CANTON AMATEUR RADIO CLUB PICNIC

Thelma Riegler - Bob Jones KR6JH -

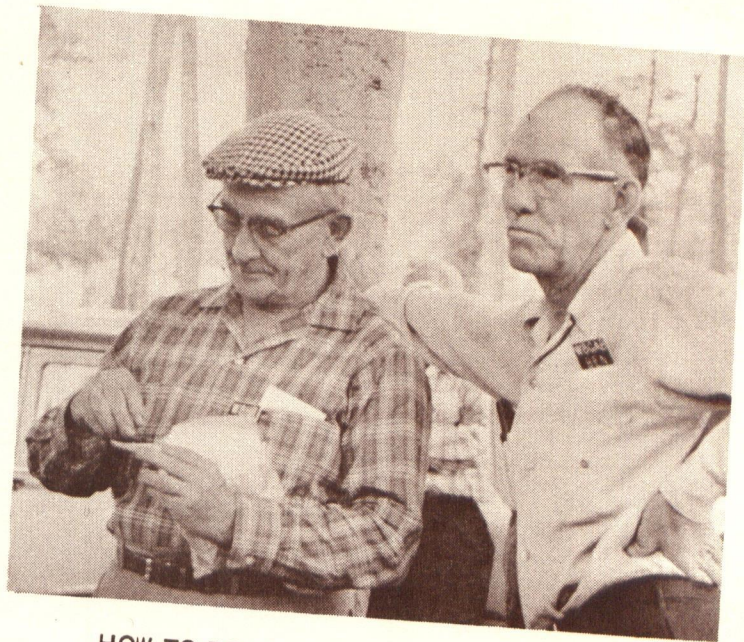

Virginia Jones - Len Riegler W8DNC

PLEASE - - Won't somebody please have some of my BEANS. W8ADQ pleading for the picnicians to help him get rid of the cold drinks, & tickets.

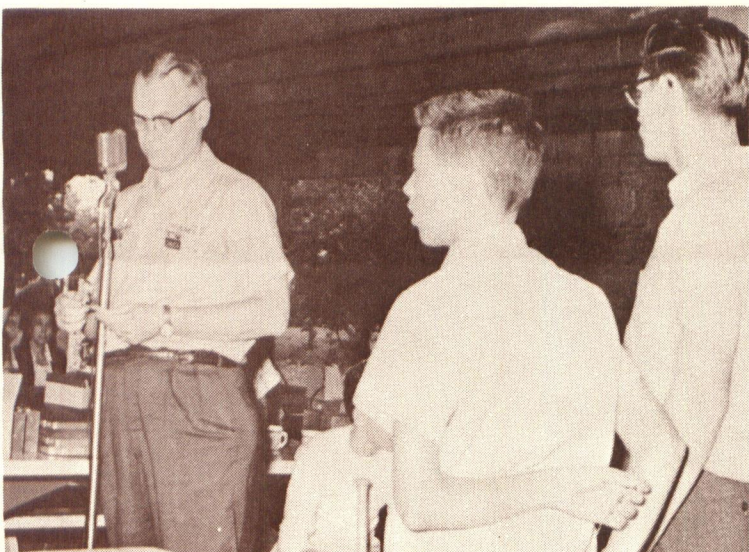

CANDIDATES FOR THE OLD TIMERS CLUB -  
Gene Roderick K4KXP - W8GAB - W8HR - W8ADQ - W8F5M

HOW TO ROLL YOUR OWN IN ONE EASY LESSON  
I'll just bet that Ben is dreaming about that Beam.  
W8HR Rob-Roy and Ben Hughes W8GAB  
Man, did we ever enjoy those ole spark days. HI!

And, the next winner is number - - - - -  
Chuck Rex K8MZS did a swell job of dishing out the  
prizes, which went into the hundreds - I think.

Some of the younger generation can't seem to get away from  
radio even on a picnic. We heard they made quite a few  
contacts at that. Or was this an encore from field day.

OH! Mamma, LOOK - Santa Clause comed early this year.  
W8LBZ and ex-YL. John seems excited over a prize.

And the winner for throwing the bull-we mean the ball,  
the farthest in the ex-YL class Mrs. Ann Hughes.

SEPTEMBER 1961

The cover pages leave little to be said about our picnic. If you didn't attend, you missed a treat. The weather was cool but every one seemed to enjoy the afternoon. It could have been called a home-coming since several old timers were on hand. Among them were Bob Jones and xyl Virginia. Bob holds the call signs W6EDG and KR6JH (mentioned in the July Feedline). Another ex W8 was Gene Roderick, now K4KXP. Gene was W8MWL before moving to Florida. For several years, many of us had not seen Gene, and eyeball QSO's were in order.

W8QAZ was there and quite a few failed to recognize Chuck after he lost that 60 pounds. By the way, we hear Chuck walked off with plenty of loot at the Warren hamfest.

W8WWE also came out of hiding, so we know he is still around.

The 10 and 6 meter check-in stations did a fine job. Ten was more active than on Field Day!

K8MZS and K8MZT did a FB job steering the outing to its success!

W8ADQ has a patent pending on a new type of baked beans. A few fellows had nerve enough to sample them--and they're still around!

Next year, when you hear about the C. A. R. C. picnic, Don't miss it!

#### MEMO

Big thanks to Mary (XYL-K8NIB), Alice (XYL-K8KTM), Vicki (XYL-W8HR), Eleanor (XYL-KN8YVZ) and Grace (XYL-W8OYV) for their part in making the picnic so very enjoyable. Mary and Alice gave of their knowledge and talent to give the children a good time. Vicki, Eleanor and Grace sure made the XYL's feel at home. Flo (XYL-W8YAB) won many prizes--and made lots of friends also! Thanks to all of you.

By the way, the song sheets will come out again at the Weiner Roast and while it may not be "Mitch Miller" quality, it'll be loud and FUN. C U then. K8MZT, Shirley.

Ham Yak

From the picture, "Roll your own", page 2; Ben was fascinated watching Rob prepare himself a smoke. "It's wonderful," he marveled, the way you can roll a cigarette with one hand." "Tain't nothing," Rob responded. "Getting the filter in is the hard part!"

K8LBZ informs us that W8NAL is improving and is covalascent at home, 548 Geiger Ave SW. Massillon. Hope we hear you back on the air soon, Carmella.

W8GAW, Lowell Traxler is reported in Aultman Hospital. Don't have his room number, but a card to 832 S. Main St. North Canton, will reach him. Best wishes for a fast recovery, Lowell.

A new ham in town is K8PME, Gerald Smith. Gerald lives at 719 32nd St. NW. A new hearing aid at his qth is a Drake 2-B.

K8BYC has gone mobile with a Johnson Messenger.

There is a good chance the YMCA, in their Night School Classes, may offer a radio theory class, "TO PREPARE FOR THE GENERAL EXAM"

Heres a chance for you novices and other would-be generals, to get ready! Interested? Drop the Secretary, W8OYV a card, 1508 Navarre SW. We'll mail dope to you as soon as its available! No doubt too, that the C.A.R.C. will once again offer their "Code class of the Air" this fall!

## The Battle of the Beams

A lot of horse trading, plus several purchases, have resulted in new beams up in the Canton area this past month!

K8KXP has that TA-36 up 65 feet and working FB.

K8MZS and K8MZT are scraping the sky with their 40 meter beam, the 402-B. and the reports!--well, Chuck went out and purchased some insurance to cover S-meter damage!

K8YLK and son K8VLU are raving about a TH-3 Thunderbird--Does it run on gasoline or RF?

K8LBZ has a TA-33 Jr, a new tower and a HQ-170C for good measure!

We note that John received a promotion to a W8 on the cover page. Santa Claus sure did come early!

Jim, K8SWE has a TC-99.

With the increasing number of women holding down jobs, man soon will be earning bread by the sweat of his frau.

At 20, we don't care what the world thinks of us; at 30, we worry about what it is thinking of us; at 40, we discover it was'n't thinking of us at all.
